

# Now Hiring – Fire Chief

Bouse Fire District is accepting applications for the position of Fire Chief. Applicants should be committed to excellence in the delivery of fire and first responder services. Applicants must have leadership and managerial skills combined with interpersonal and communication skills. As well as experience in progressively responsible supervisory, administrative and command assignments.

The District covers a 5 square mile area with a population of approximately 1,500 permanent residents and approximately 1,500+ winter visitors to the area. The area consists of mainly senior based population. The majority of calls being medical related. We have a volunteer based staff of 17 and are receiving a SAFER awarded grant stipend with the admin sec in a budgeted part-time position.

The Fire Chief position requires leadership abilities, analytical skills, and management experience based upon consensus building, informed decision making and problem-solving. Bouse Fire District is seeking a self-starting, and confident individual with outstanding and genuine interpersonal skills. The Fire Chief should be willing to respond to calls and non-coverage days if available.

Required minimum qualifications included:

- Knowledge of NFPA standards and procedures
- Fire I & II certifications
- Paramedic or EMT certification
- Ability and knowledge to write and apply for grant funding

Salary and hours are open for discussion depending on experience and availability.

Interested persons should submit the [Job Application Packet](#) (pdf) and resume to:
