 - Currently certified AZ or National Registry: EMT or CEP
 - Clean MVD Record (3-years) with valid AZ Driver's License
 - 2 years minimum experience
 - Pass a background check and drug screen

The Lake Mohave Ranchos Fire District is a small rural Fire District with a very large and diverse response area. The District provides ambulance transportation via our C.O.N. along with all other emergency services. We offer a challenging work environment which allows our personnel to be self-reliant and increase confidence in their skills. With longer than average transport times our medics learn how to communicate and treat patients from start to finish and deal with all manner of medical emergencies.

With minimal staffing, our personnel learn how to manage, mitigate, multi-task and prioritize effectively during emergencies. LMRFD personnel find that with an average of 2.5 runs per week, they have time to rest up, study for tests, and take care of other personal business after their daily chores are completed.

Full-Time personnel EMT/CEP receive: PSPRS, Holiday, Vacation, Sick, and Insurance benefits.

Part-Time personnel EMT/CEP receive: Holiday, Vacation and Sick benefits.
Compensation is designated by PayScale.

Applications are available online at: www.lmrfd.org
Please send a resume with application to: info@lmrfd.org

No phone calls, please.
