

# SONOITA-ELGIN FIRE DISTRICT

**“PROUD PAST STRONG FUTURE”**

---

## VOLUNTEER PROGRAM

Are you interested in becoming a career firefighter? Sonoita-Elgin Fire District is looking for individuals who want to become career firefighters to fill positions in our Volunteer Program.

The Volunteer Program involves being assigned to a shift to work alongside career fighters while developing skills needed for a career in the fire service. Benefits include up to \$560 a month stipend, uniforms, and on the job training.

The Sonoita-Elgin Fire District Volunteer Program is designed to provide mutual benefits to the Department and Volunteers members. The Department uses Volunteers at the station to provide additional response capabilities for fire and medical emergencies. In return for service, the Volunteers receive a stipend. Prospective Volunteers must be EMT certified. The Volunteers primary responsibility is to support Department operations, which includes responding to calls, participation in training activities, and other duties as directed. The underlying philosophy of the program is to provide all Volunteers with the opportunity to serve the Sonoita-Elgin Fire District and community, while furthering their personal or career development goals.
