Special study

No study of merger, consolidation, or joint operating alternative is required

If the district's total estimate of expenses exceeds its total estimate of revenues for any fiscal year, A.R.S. §48-805.02(D)(15) requires the district include a study of merger, consolidation, or joint operating alternative. The Fire District is not required to include a study as their estimated expenses are not greater than budgeted revenue for any fiscal year.
