Chuck Wunder, Fire Chief

JOB OPPORTUNITY

POSITION SUMMARY:

The Fire Inspector is expected to perform the essential functions of the Fire Inspector, along with the additional functions listed below, in accordance with recognized practices and all adopted codes applicable to the Santa Rita Fire District. The focus of the position is inspections of buildings and properties for fire hazards, public education on fire prevention practices, and control through local prevention programs.

This position is considered a mid-level classification in the Prevention Department at the Santa Rita Fire District. Teamwork, service, and respect for diversity are priorities when working for the Santa Rita Fire District.

MINIMUM QUALIFICATIONS:

- Must be no less than 18 years of age.
- High School diploma or GED equivalent.
- Have a valid Arizona driver's license.
- Pass a background check.
- Speak, read, and write the English language.
- Meet SRFD physical standards for administrative staff.
- Meet insurability requirements of the district's insurance carrier.
- Three (3) years of experience in fire prevention, fire investigation and building safety inspection work.
- Training and education equivalent to an associate's degree from an accredited college or university, with courses or a degree in Fire Science preferred.
- Completion of AZCFSE Inspector I & II certification or equivalent (Proboard, IFSAC, International Code Council)
- Current AHA CPR/AED/First Aid certification.
- Completion of required NIMS certifications (IS-100, 200, 700 and 800)

SUPERVISION RECEIVED:

Fire Inspector reports directly to the Fire Marshal. The Fire Inspector is expected to work in a positive, productive manner with all other members of the District Staff, including Suppression, Administration, Community Services, and Volunteer groups, and may receive directions from any member of the management team (Captain and above).

A full job description, along with the application process, is available at www.srfdaz.gov.
Position open until filled.
